Well, here we go again! Duke asking for another increase. Why? Because they did not get the 20% they wanted last year. This is outrageous! People in our country are hurting financially already. People on fixed incomes or out of a job CANNOT afford this at all!! Please stop this from happening. This is so unfair to those who work and try to live from pay day to pay day. They also must need the money to re-do their logo.....  
DO NOT ALLOW THIS INCREASE.
